THE BAND INCREASES BOTH IN MEMBERS AND IN

The Hesston High School Band was involved in a number of "firsts" this year. The most obvious "first" was the initial purchase and use of new band uniforms. The outstanding appearance and quality of these garments have been a source of pride and inspiration for both our musicians and other citizens of our school and community.

The fall of 1967 marked the first guest appearance of the Swathers' Marching Band at a college football half-time show when Bethel won over McPherson in the Thresher's Homecoming game. The Marching Swathers also performed during the half-times of three Hesston High football games.

The annual State Fair parade was the first occasion at which the new uniforms were worn. After a delayed start due to a brief rain, the Marching Swathers paraded proudly and consequently received a three column photo and story in the Hutchinson News.

SPIRIT

The concert season included two major concerts in addition to the annual I-35-W League Festival and the State Festival in Wichita. The first annual league Honors Concert was also held this year. These highly competitive events proved to be valuable experiences for the band and its ensembles and also rewarding for the high ratings received. Yea, Swathers!

JUNIOR CLASS PLAY

Our Faithful Stage Manager

"Life"

Five weeks of exhausting practice resulted in "Our Town." The Juniors did an excellent job of portraying all the facets of life. "Our Town" took the crowd from laughter to tears and was enjoyed by all.

SENIOR
PLAY

ALAS,
BABYLON

A black and white photograph of a football team on a field. A player in a white jersey with the number 22 is in the center, surrounded by other players and spectators. A young boy in a light-colored jacket is in the foreground, looking towards the player.

A black and white photograph of three young women sitting on stools under a large, fringed umbrella. The woman in the center is smiling and looking at the camera. The woman on the right is looking away. The background is dark with some letters visible.

A black and white photograph of a young couple standing together. The woman on the left is wearing a light-colored dress and holding a large bouquet of flowers. The man on the right is wearing a dark suit and tie, with a boutonniere on his lapel. They are both smiling at the camera.

A black and white photograph of six people, three men and three women, standing in a row. They are dressed in formal attire, likely for a wedding or a formal event. The women are wearing light-colored dresses, and the men are wearing dark suits. They are standing in front of a backdrop that appears to be a stage or a decorated area.

SPEECH AND DRAMA

The Speech and Drama Class came away from State Contest with more medals than any other school -- 25 to be exact. The one-act play, "Cleft for Me", rated a "I" at League, District, and State. By receiving "I" ratings at District, Tim Welty and Judy Nitzsche were able to go to State where Tim received a "I" on his interpretation of "Theodore Castwell" and Judy merited a "II" on her informative, "The Air Around Us."
